

A TABLE READ ADVENTURE

THEATER WITHOUT THE STAGE FRIGHT

TAKE A BOW FOR BOOKING THE MOST ENGAGING EVENT OF THE YEAR

WHAT'S THIS ALL ABOUT?

This is an interactive, engaging experience where guests become the cast of a short play! No memorization, no pressure—just fun, creativity, and a chance to step into a role. Perfect for theatre lovers, bookworms, or anyone who's ever wanted to 'act' without the commitment, blocking or costumes.

How It Works

- **Pick Your Style** – Comedy, drama, one-acts, or just a single scene!
- **We Bring the Script** – A short, engaging play or scene tailored to your group!
- **You're the Cast** – Step into character & bring the story to life!
- **Read, Act & Have Fun** – Express yourself in a no-pressure, creative space!

Oh the Drama - Customizations

- **Rock the Stage** – A mini workshop on stage presence & confidence!
- **Mining Your Emotions** – Learn how to bring depth & real feeling into your acting.
- **Coaching** - Get indepth, gentle feedback on your performance
- **From Page to Stage** – Take your table read to the next level by turning it into a live performance with rehearsals, costumes, props & a performance!
- **Curated social** content for you to post
